Details of instruments/facilities in Annexure-1; LT: Long Term, ST: Short Term

The list of facilities / instruments falling under the purview of various financial sector regulators (FSRs), along with the names of respective FSRs has been disclosed under Annexure-7.

Rationale and key rating drivers

CARE Ratings Limited (CareEdge Ratings) has upgraded the Long-term ratings on instruments and bank facilities of PNB Housing Finance Limited (PNBHFL). CARE Ratings Limited (CareEdge Ratings) has assessed PNBHFL's consolidated profile considering linkages with its promoter, Punjab National Bank (PNB; rated at CARE AAA; Stable/ CARE A1+ and CARE AA+; Stable for Tier I Bonds). PNB is the largest shareholder in PNBHFL and has stated its intent to provide need-based unconditional support to PNBHFL in exigency. PNBHFL shares its promoter's brand "PNB" and logo and is subject to oversight from PNB on its risk, compliance, and other functions. PNB is expected to continue to hold over 26% stake in PNBHFL with promoter status.

The ratings continue to factor in PNBHFL's strong market position, with an established track record in the housing finance sector as third-largest housing finance companies in terms of assets under management (AUM). PNBHFL has demonstrated sequential improvement in its asset quality while consistently maintaining comfortable capitalisation and a diversified funding profile. CareEdge Ratings notes that PNBHFL entered the relatively high-yield affordable housing finance segment about three years ago, which has grown at a rapid pace; hence, that book is yet to fully season. The company's ability to scale up the segment and maintain asset quality and profitability as it seasons will remain a key monitorable.

PNBHFL's profitability remains healthy at present, supported by negative credit cost. However, its ability to maintain profitability when credit cost normalises will remain a key rating monitorable. CareEdge Ratings notes that PNBHFL's short-term funding has increased slightly; hence, there are negative cumulative mismatches in its asset-liability management (ALM) statement from and including the 6-month to 5-year buckets, without factoring in unavailed sanction lines and interest inflow and outflow. Nonetheless, its demonstrated refinancing ability and undrawn sanction lines, including lines from PNB, support its liquidity.

CareEdge Ratings has withdrawn the outstanding rating on the non-convertible debenture bearing ISIN INE572E09320 with immediate effect, in line with CareEdge Ratings' policy on withdrawal of ratings, as the company has repaid the bond in full and there is no amount outstanding as on date.

Rating sensitivities: Factors likely to lead to rating actions

Positive factors

Not Applicable

Negative factors

- Change in support philosophy of PNB for PNBHFL or weakening of credit profile of PNB
- Sustained deterioration in its capitalisation profile with overall CAR falling below 20%, or asset quality with GNPA more than 3%
- Declining profitability parameters, with ROTA of less than 2.0% on a sustained basis
- Construction finance portfolio remaining above 10% of overall asset under management (AUM)

Analytical approach: Consolidated, factoring in linkages with Punjab National Bank

CareEdge Ratings has rated PNBHFL on a consolidated basis, given managerial, operational, and financial linkages with its wholly owned subsidiary, PHFL Home Loans and Services Limited. The assessment also factors in PNBHFL's linkages with its promoter, Punjab National Bank (PNB), given the shared brand name and PNB's stated intent to extend need-based unconditional support and oversight for regulatory compliance and risk management.

Details of subsidiaries are presented below in **Annexure-6**.

Outlook: Stable

The Stable outlook on PNBHFL's long-term rating reflects CareEdge Ratings' expectation that PNBHFL will continue to maintain growth momentum while maintaining adequate capitalisation, asset quality and profitability, backed by continued support and oversight from PNB.

Detailed description of key rating drivers:

Key strengths

Strong credit profile of promotor, PNB/ Brand linkages with PNB

PNB (rated at CARE AAA; Stable/ CARE A1+ and CARE AA+; Stable for Tier I Bonds) is the promoter of PNBHFL and is also the largest shareholder with 27.75% holding as on March 31, 2026. CareEdge Ratings notes PNB's stated intent to provide need-based unconditional support to PNBHFL, to hold over 26% stake in PNBHFL with promoter status and a shared brand name, which is expected to benefit PNBHFL in terms of financial flexibility for fund-raising and deposit mobilisation. PNB has an oversight on PNBHFL's risk and compliance functions in the form of a quarterly review mechanism to assess PNBHFL's business growth, operations, and challenges. At the board of PNBHFL, there is adequate representation from PNB in the form of two Nominee Directors to supervise various functions at the HFC. CareEdge Ratings expects PNB to continue to be the largest shareholder and promoter of PNBHFL.

Established in 1894 and nationalised in 1969, PNB the second-largest public sector bank in India with global business. The bank's global advances stood at ₹12,61,420 crore (provisional) as on March 31, 2026 as against ₹11,16,637 crore as on March 31, 2025, registering a growth of 12.97% y-o-y, while the domestic advances stood at ₹11,95,811 crore (provisional) as on March 31, 2026 (₹10,66,048 crore as on March 31, 2025) The GoI is the majority shareholder in the bank, holding 70.08% stake as on March 31, 2026, continues to support the bank through capital and operational backing, which remains a key factor underpinning its credit profile. In terms of asset size, the bank is the second largest in terms of total business in India. The bank has a network of 10,261 domestic branches (two international branches), 11,101 ATMs as on December 31, 2025.

Long-standing track record and market position

Established in 1988, PNBHFL has a long track record of operations of over three decades. It stands as one of the top five housing finance companies (HFCs) in India, with assets under management (AUM) of ₹90,921 crore (loan book of ₹87,347 crore) as on March 31, 2026, registering a growth of ~13% in FY26. In recent years, the company has strategically focused on expanding its retail book while significantly reducing its corporate book, with a major focus on the emerging and affordable housing segment. As on March 31, 2026, the retail loan book, which includes individual housing loans and non-housing loans, comprises 99.5% of the total portfolio, while the corporate book stands at 0.5% of the overall portfolio. Given management's plan, the corporate book is expected to increase from FY2027; however, the overall share is expected to remain low. As a re-entrant in the construction finance sector, the performance of this vertical will remain monitorable.

In FY23, PNBHFL launched a dedicated vertical for the affordable housing segment, initiating disbursements in Q4FY23 under the product name 'Roshni'. As on March 31, 2026, the affordable loan book stood at ₹8,153 crore, supported by a network of over 200 branches. Going forward, CareEdge Ratings expects a slight shift in its business composition, with the share of the Roshni

segment increasing. However, the segment remains unseasoned, and management's ability to scale up the segment while maintaining asset quality as the book seasons will remain monitorable.

Diversified resource profile

PNBHFL has demonstrated a robust ability to raise resources to support its business growth. As on March 31, 2026, PNBHFL's funding profile (borrowings) comprises loans from banks (39.2%), deposits (25.3%), non-convertible debentures (NCDs; 10.6%), commercial papers (CPs; 2.9%), National Housing Bank (NHB; 14.4%) and external commercial borrowings (ECBs; 7.6%). CareEdge Ratings expects PNBHFL's resource profile to remain well-diversified in the near future. CareEdge Ratings notes that PNBHFL's Short-term borrowings, including commercial paper, have increased, though they remain at a comfortable level. Raising Long-term funding lines and managing the asset-liability management (ALM) will be key for its liquidity profile and will remain a key monitorable.

Improving asset quality, however affordable book remains unseasoned

PNBHFL's asset quality has improved, with gross non-performing assets (GNPA) of 0.9% as on March 31, 2026, compared to 8.1% as on March 31, 2022, driven by recoveries, write-offs, resolution of its corporate accounts, and a growing loan book. At present, the company is maintaining an adequate provision coverage ratio of ~35% on stage III assets and a total provision coverage ratio of 1.14% as on March 31, 2026. In terms of solvency, its net stress book as a percentage of tangible net worth (TNW) stood at 9.79% in March 2026, compared to 12.32% in March 2025.

CARE Ratings Limited (CareEdge Ratings) notes that the loan book in the affordable and emerging market verticals has grown at a high pace, and the book under these verticals lacks seasoning; hence, their performance will remain monitorable. Going forward, CARE Ratings Limited (CareEdge Ratings) expects the company to maintain healthy asset quality metrics while keeping its credit cost contained. A higher-than-expected slippage could exert pressure on its asset quality and earnings profile. CARE Ratings Limited (CareEdge Ratings) expects asset quality to remain healthy, although some increase in non-performing assets is expected as the affordable segment book starts to season.

Key weaknesses

Profitability susceptible to competitive pressure on yield

PNBHFL reported a net profit of ₹2,291 crore in FY26, translating into return on total assets (RoTA) of 2.6% and return on average tangible net worth (RoNW) of 12.8%, compared to ₹1,936 crore, 2.5% and 12.3%, respectively, in FY25. Its profitability has been supported by negative credit costs in FY25 and FY26 on account of recoveries from written off book of ₹336 crore and ₹332 crore, respectively. Due to higher operating expenses in affordable housing finance segment, PNBHFL's opex ratio has increased constraining its profitability. While CareEdge Ratings notes that the management plans to improve the blended yield by focusing on affordable housing finance and emerging market segments, its ability to improve the yield in a highly competitive landscape while growing at a healthy pace will be a key monitorable. Overall, CareEdge Ratings expects profitability to moderate slightly; however, it is expected to remain adequate, supported by low credit cost.

Liquidity: Adequate

As on December 31, 2025, PNBHFL's liquidity profile remained adequate, with cash and cash equivalents of ₹3,547 crore and liquid investments of ₹2,579 crore, and scheduled collections of ₹13,528 crore over the next one year, to cater to its debt obligations of ₹15,652 crore for the same period. While there were negative cumulative mismatches in the 2-3 months bucket and onwards in its asset-liability management (ALM) statement dated December 31, 2025, without factoring in undrawn sanctioned lines and interest inflow and outflow, CARE Ratings Limited (CareEdge Ratings) notes that the company had undrawn bank lines of ₹5,910 crore and Short-term unutilised cash credit/overdraft (CC/OD) and working capital demand loan (WC DL) lines of ₹2,810 crore to support its liquidity. PNBHFL continued to maintain a healthy liquidity coverage ratio (LCR) of ~145% as on March 31, 2026, well over regulatory requirements. CareEdge Ratings expects the company to be prudent in its liquidity and ALM management.

Environment, social, and governance (ESG) risks

Although PNBHFL's service-oriented business model limits its direct exposure to environmental risks, credit risk may arise if operations of any asset class of the portfolio are adversely impacted by environmental factors. PNBHFL has undertaken environmental initiatives such as tree plantation and installation of solar power plant.

PNBHFL has undertaken various social initiatives and conducted programmes under environment and water conservation across Madhya Pradesh, Rajasthan, Uttar Pradesh, Haryana, and Maharashtra. The company has supported solar electrification in 23 government schools in Haryana and Uttar Pradesh. It has also been promoting quality education through infrastructure development, such as upgrading Anganwadi centres and government schools, and e-learning infrastructure development.

The governance structure of PNBHFL is well defined, with adequate internal control systems, risk assessments, and disclosures of information. The board of directors of PNBHFL has seven independent directors, one nominee director, and one executive director. CARE Ratings Limited (CareEdge Ratings) notes that, based on the National Housing Bank's observation in its inspection report for FY2023, PNBHFL disclosed a divergence of ~₹933.6 crore (only ₹67 crore Outstanding as on March 31, 2026) in FY2022-

23 asset classification, increasing reported gross non-performing assets to ₹3,204.9 crore as on March 31, 2023. The divergence pertains to restructured corporate and project loans that were standard and regular at the time of repricing and is not expected to have any material impact on its financial profile.

Disclaimer:

This disclaimer pertains to the ratings issued and content published by CARE Ratings Limited ("CareEdge Ratings"). Ratings are opinions on the likelihood of timely payment of the obligations under the rated instrument and are not recommendations to sanction, renew, disburse, or recall the concerned bank facilities or to buy, sell, or hold any security. Any opinions expressed herein are in good faith and are subject to change without notice. The rating reflects the opinions as on the date of the rating. A rating does not convey suitability or price for the investor. The rating agency does not conduct an audit on the rated entity or an independent verification of any information it receives and/or relies on for the rating exercise. CareEdge Ratings has based its ratings/outlook on the information obtained from reliable and credible sources. CareEdge Ratings does not, however, guarantee the accuracy, adequacy, or completeness of any information and is not responsible for any errors or omissions and the results obtained from the use of such information. The users of the rating should rely on their own judgment and may take professional advice while using the rating in any way. CareEdge Ratings shall not be liable for any losses that user may incur or any financial liability whatsoever to the user of the rating. The use or access of the rating does not create a client relationship between CareEdge Ratings and the user.

CAREEDGE RATINGS DISCLAIMS WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR OTHER WARRANTIES OR CONDITIONS, TO THE EXTENT PERMITTED BY APPLICABLE LAWS, INCLUDING WARRANTIES OF MERCHANTABILITY, ACCURACY, COMPLETENESS, ERROR-FREE, NON-INFRINGEMENT, NON-INTERRUPTION, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE OR INTENDED USAGE.

Most entities whose bank facilities/instruments are rated by CareEdge Ratings have paid a credit rating fee, based on the amount and type of bank facilities/instruments. CareEdge Ratings or its subsidiaries/associates may also be involved with other commercial transactions with the entity. CareEdge Ratings does not act as a fiduciary by providing the rating. The ratings are intended for use only within the jurisdiction of India. The ratings of CareEdge Ratings do not factor in any rating-related trigger clauses as per the terms of the facilities/instruments, which may involve acceleration of payments in case of rating downgrades. However, if any such clauses are introduced and triggered, the ratings may see volatility and sharp downgrades. CareEdge Ratings has established policies and procedures as required under applicable laws and regulations which are available on its website.
